

BULLETIN
OF
OKAYAMA PREFECTURAL JUNIOR COLLEGE

VOL. 36

CONTENTS

The Antimicrobial Effect of Short Chain Fatty Acids on Growth of Facultative Food Poisoning Bacteria.....	Yasushi MATSUURA.....	1
Fibrinolytic system in the ascites of experimental pancreatitis	Hiroyuki SUMI • Kyoko KAWABE • Yasushi ETHO.....	5
Marine Creatures as Functional Foods:Fibrinolysis Relating Substances Detected in invertebrates and Seaweed	Hiroyuki SUMI • Chieko YATAGAI • Nobuyoshi NAKAJIMA.....	17
Comparative studies on synthetic chromogenic substrates for urokinase in rabbit, guinea pig, dog and human	Hiroyuki SUMI • Chieko YATAGAI • Nobuyoshi NAKAJIMA.....	22
Food style and life style of middle-aged women in a farm village	Shigeko YOSHIDA • Misako OKITA • Noriko HASHIMOTO.....	27
The mechanisms causing low stability of catalase in reticulocyte from acatalasemic mice	Kazuhiko SUZUKI • Masako IDEN • Yasuhito FUJII • Masana OGATA.....	33
The characteristics of dietary habit, as determined by nutrient sources in Japanese diet —middle aged males	Kazuhiko SUZUKI • Toyonori OMORI • Etuharu KAWAMURA Yasuhito FUJII • Masana OGATA.....	38
The characteristics of dietary habit, as determined by nutrient sources in Japanese diet —middle aged women	Kazuhiko SUZUKI • Nobuyoshi NAKAJIMA Toyonori OMORI • Etuharu KAWAMURA • Yasuhito FUJII • Masana OGATA.....	44
Study of drastic decrease in intracellular ATP level induced by glucose	Reiko AKAGI • Yukiko EMI • Kayoko MITSUDA.....	50
Increase of Capillary Permeability Induced by Platelet Activating Factor(PAF) in Mouse Skin —Evaluation of Antiallergic Prugs—	Reiko AKAGI • Masaaki AKAGI.....	55
Antiallergic effects of terfenadine and its isomers.....	Reiko AKAGI • Masaaki AKAGI.....	60
Effect of portal vein clamp on blood pressure in rats	Reiko AKAGI • Hiroko SUSUKI • Rika TAGUCHI • Masaaki AKAGI.....	67
A novel fibrinolytic enzyme from <i>Lumbricus rubellus</i> (II) —Isolation, purification, and enzymatic Properties—	Nobuyoshi NAKAJIMA • Naotoshi TAYA • Hisashi MIHARA • Hiroyuki SUMI.....	71
A novel fibrinolytic enzyme from <i>Lumbricus rubellus</i> (III), —characterization and molecular structure—	Nobuyoshi NAKAJIMA • Naotoshi TAYA • Hiroki HAMADA Masashi SIMOOKA • Hiroyuki SUMI.....	77
A Social Psychological Study of Self-Realization in the Aged	Katuyoshi SHIRAGA • Yoshihide INUKAI.....	82

(Continued on inside back cover)
